An Indulgent Evening Benefiting Summit House Triangle

Saturday, April 30, 2011

7:00-10:30 pm

artspace

201 E. Davie Street
Raleigh

Join us for an evening of wine, chocolate and art to benefit the families of Summit House! Mix and mingle within the joie de vivre of downtown Raleigh's artspace while sampling various chocolate indulgences that have been perfectly paired with complementary wines. In addition to lavish hors d'oeuvres, intimate live music, and an exceptional silent auction, you will enjoy an inedible, intangible benefit: the satisfaction of knowing your generosity is providing hope, love and second chances to convicted moms as they serve time where they're needed most...with their children.
